HUATMA RAJGURU MAHAVIDYALAYA

Rajgurunagar, Tal – Khed, Dist – Pune 410505

Name of Department – Geography**Name of Activity -****Welcome Function for SYBA Students**

The Department of Geography, **Hutatma Rajguru Mahavidyalaya, Rajgurunagar**, organized a **Welcome Function for Second Year Bachelor of Arts (SYBA) students on Wednesday, 23 September 2026**, from **10.00 a.m. to 11.30 a.m.** The programme was organized with the objective of warmly welcoming the newly promoted Second Year students to the department, introducing them to the academic environment of the second year, and motivating them to actively participate in academic, co-curricular and extracurricular activities. The programme also provided an opportunity for interaction between students, faculty members and the college administration.

The programme was graced by the presence of **Principal Dr. S. S. Pingale** and **Vice Principal Prof.Dr. S. D. Shinde** as the Chief Guests. Their presence encouraged and motivated the students and added significance to the welcome programme. The activity was conducted under the guidance of **Prof.Dr. D. D. Muluk, Head, Department of Geography**. The faculty members of the department, **Dr. D. M. Markad** and **Prof. M. L. Muluk**, actively participated in organizing and conducting the programme.

A total of **65 Second Year students and 25 Third Year students** participated in the programme. The participation of Third Year students was particularly useful in creating interaction between senior and junior students. The programme provided an informal and friendly environment in which the newly promoted Second Year students could become familiar with their classmates, seniors and teachers.

The programme commenced with a warm welcome to the Chief Guests, faculty members and students. The Head of the Department, **Prof.Dr. D. D. Muluk**, addressed the gathering and welcomed the Second Year students on behalf of the Department of Geography. In his address, he emphasized that the second year of undergraduate education is an important stage in the academic development of students. He encouraged students to take their studies seriously, attend lectures regularly, participate actively in practical work and make effective use of the academic resources available in the college.

The Head of the Department also explained the importance of **Geography as a multidisciplinary subject** and highlighted its relevance to contemporary issues such as population growth, urbanization, environmental problems, climate change, natural resources,

migration, regional development and sustainable development. Students were encouraged to develop an analytical approach towards geographical phenomena and to connect classroom learning with real-world situations through field visits, practical work, discussions, seminars and other departmental activities.

The Chief Guest, **Principal Dr. S. S. Pingale**, addressed the students and extended his best wishes for their successful academic year. He motivated the students to maintain discipline, regularity and a positive attitude towards learning. He emphasized the importance of higher education not only for acquiring academic knowledge but also for developing personality, communication skills, confidence, responsibility and ethical values. He encouraged students to make full use of the facilities and opportunities provided by the college and to participate actively in various academic and cultural activities.

Vice Principal Prof. Dr. S. D. Shinde also interacted with the students and shared valuable guidance regarding their academic journey. He encouraged students to remain focused on their educational goals and to maintain a healthy balance between academic activities and co-curricular participation. He emphasized the importance of discipline, time management, regular attendance and respectful interaction with teachers and fellow students.

The faculty members of the Department of Geography, **Dr. D. M. Markad and Prof. M. L. Muluk**, interacted with the students and provided guidance regarding the academic requirements of the Second Year. They explained the importance of regular study, practical assignments, internal assessment, examinations and participation in departmental activities. Students were encouraged to approach the faculty members whenever they required academic guidance or clarification regarding their studies.

An important objective of the programme was to establish a positive relationship between **Second Year and Third Year students**. The presence of 25 Third Year students provided an opportunity for informal interaction and sharing of academic experiences. Senior students were encouraged to guide the Second Year students regarding study practices, practical work, examinations, departmental activities and participation in various college programmes. This interaction helped create a supportive and cooperative learning environment within the department.

The programme also emphasized the importance of **student participation and holistic development**. Students were encouraged to participate in field visits, trekking activities, debates, seminars, poster presentations, quizzes, cultural activities and other departmental programmes. Such activities provide students with opportunities to develop leadership, communication, teamwork, creativity, confidence and problem-solving abilities in addition to their academic knowledge.

The welcome function created a friendly and motivating atmosphere for the Second Year students. The students expressed enthusiasm about beginning their new academic year

and actively participated in the interaction with the faculty and senior students. The programme helped them become familiar with the academic expectations of the department and encouraged them to approach their studies with confidence and responsibility.

The programme concluded with words of appreciation and encouragement to all the participating students, faculty members and guests. The successful organization of the activity reflected the efforts of the Department of Geography to create an inclusive, student-friendly and academically supportive environment. The programme also strengthened interaction between students of different academic years and between students and faculty members.

Overall, the **Welcome Function for SYBA Students** was successfully organized by the Department of Geography, Hutatma Rajguru Mahavidyalaya, Rajgurunagar. The programme provided an effective platform for welcoming **65 Second Year students** and encouraging them to begin their academic year with enthusiasm and confidence. The guidance provided by the Principal, Vice Principal, Head of the Department and faculty members helped students understand the importance of academic discipline, participation, skill development and holistic education. The participation of **25 Third Year students** further enhanced peer interaction and created a supportive departmental atmosphere. The activity successfully fulfilled its objective of welcoming the students and motivating them towards active and meaningful participation in the academic life of the department.
