**Name of Activity – Farewell Function 2023**

On May 24, 2023, the Geography Department of Huatma Rajguru Mahavidyalaya organized a heartwarming farewell function to bid farewell to the departing third-year students. This touching event took place at the college's Geography Department, signifying the culmination of their academic journey and the beginning of a new chapter in their lives.

The farewell function was graced by the presence of Principal Dr. S. S. Pingale, who served as the Chief Guest. Dr. Pingale conveyed his best wishes and words of wisdom to the outgoing students, emphasizing the importance of the journey they were embarking upon and the impact they could have on the world.

Vice Principal Dr. S. D. Shinde delivered a motivational speech, offering valuable insights and words of inspiration as the students transitioned to a new phase in their lives. His words resonated deeply with the audience, leaving a lasting impression.

Prof. Dr. D. D. Muluk, the Head of the Geography Department, also addressed the gathering. He commended the graduating students for their dedication and commitment to academic excellence during their time at the college. He expressed the department's pride in their achievements and wished them success in their future endeavors.

Student speeches in this event and said that Our college, Huatma Rajguru Mahavidyalaya, has been more than just a place of learning for us. It has been a home away from home, a place where we not only acquired knowledge but also forged lasting friendships and created unforgettable memories. The college has provided us with a nurturing and supportive environment, where we could explore our interests, discover our passions, and challenge ourselves to grow. The faculty members at our college deserve a special mention. Their dedication and commitment to our education have been instrumental in shaping our minds and nurturing our intellectual curiosity. They have not only been our teachers but also our mentors and guides, encouraging us to think critically, ask questions, and strive for excellence. As we stand at the threshold of the future, we carry with us the invaluable lessons we have learned during our time here. Our education has equipped us with knowledge, but more importantly, it has taught us the importance of perseverance, adaptability, and a thirst for lifelong learning. The experiences we've had, both inside and outside the classroom, have transformed us into well-rounded individuals. We've participated in field visits, engaged in debates, conducted research, and, most

importantly, learned to collaborate and work as a team. These experiences have not only enriched our academic growth but have also prepared us for the challenges that lie ahead. Our college has provided us with the platform to dream, and now it is our responsibility to turn those dreams into reality. We are prepared to embrace the future with open arms, confident that the education we received here has given us the tools to navigate the ever-changing world and make a positive impact. As we bid farewell to our beloved college, let us remember the values and principles instilled in us during our time here. Let us carry the torch of knowledge and, in the words of Mahatma Gandhi, "be the change we wish to see in the world." Our college has been a stepping stone to our future, and I have no doubt that the future is bright for each one of us.

Dr. D. M. Markad, in his introductory remarks, set the tone for the evening. He shared anecdotes and memories of the departing students, underscoring the bonds they had formed during their academic journey.

Mr. M. L. Muluk delivered a heartfelt vote of thanks, expressing gratitude to the Principal, Vice Principal, Head of Department, and all the students for their participation and support in making the farewell function a memorable occasion. He highlighted the significance of such gatherings in fostering a sense of unity and shared experiences among the students.

To add a special touch to the event, both girls and boys in the department adhered to a traditional dress code, with girls wearing saris. This gesture enhanced the cultural and traditional atmosphere of the farewell function.

The farewell function for the third-year students at Huatma Rajguru Mahavidyalaya was a touching and emotional event, symbolizing the end of one phase and the beginning of another in the students' lives. The words of wisdom and encouragement from the Chief Guest and distinguished speakers left a lasting impact on all attendees, motivating the outgoing students to embrace the opportunities and challenges that lay ahead.

Such events serve as a testament to the strong sense of community and camaraderie that exists within the Geography Department at Huatma Rajguru Mahavidyalaya. The college wishes the departing students success and fulfillment in all their future endeavors and looks forward to seeing them achieve great heights in their chosen paths. The farewell function was a fitting send-off for these students as they bid adieu to their college years.
