Report

BBA(CA) Department organized an educational trip starting from Rajgurunagar, which provided both learning and enjoyment. The journey began with great enthusiasm as students and teachers traveled together. Our first major stop was Mahabaleshwar, where we explored natural beauty and learned about its geographical importance. We then visited Pratapgad Fort, gaining knowledge about its historical significance and the battle fought there. The trip continued towards Dapoli, known for its scenic landscapes and educational value. We enjoyed the peaceful environment at Karde Beach and learned about coastal ecosystems. Later, we visited Murud Beach, where we experienced marine surroundings and teamwork activities. The trip helped us improve bonding and practical understanding outside the classroom. It was a perfect blend of education, history, and nature. Finally, we returned to Rajgurunagar with wonderful memories and valuable knowledge.
