Report on One Day Workshop on Aavishkar 2025

A one-day workshop on Aavishkar 2025 was organized on **2nd September 2025** to guide the students regarding the upcoming Aavishkar competition (13th Sept. 2025). The workshop aimed to create awareness among the students about the objectives of the competition, the rules, evaluation criteria, and effective ways of presenting their projects.

Altogether 26 students participated in the workshop with great enthusiasm. The session was conducted by Dr. Kirti Nitnaware, who provided valuable insights about the competition, the marking scheme, and presentation skills required for success. She also interacted with the students and discussed their project ideas in detail, giving them constructive suggestions for improvement.

Prof. P. D. Kad also contributed to the workshop by guiding and motivating the participants. His inputs further helped the students to understand the expectations of the competition and prepare themselves in a better way.

The workshop proved to be highly informative and interactive, equipping the participants with the necessary knowledge and confidence to participate in Aavishkar 2025. It ended on a positive note with students expressing their eagerness to apply the guidance received in their projects.
