1	Date	12/03/2025 & 13/03/2025
2	Name of Event	Study tour
3	Venue	Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth, Dapoli & Velas Turtle Festival.
4	Duration of the programme	Two days
5	Number of participants	4 students+1 Teachers+1 non-teaching staff

A two days study tour was organized for T.Y.B. Sc Botany students on 12/03/2025 & 13/03/2025 by the Department of Botany, Hutatma Rajguru Mahavidyalaya, Rajgurunagar. A total of 4 students, one teacher and one non-teaching staff participated in the tour. The study tour was as part of the curriculum of Savitribai Phule Pune University through which the students were exposed to different educational units. The study tour was started from Rajgurunagar to Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth, Dapoli and return on second day by visiting to Velas turtle festival.

The trip was started at 5.00 am on 12th March 2025 from Rajgurunagar. We reach our first destination Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth, Dapoli at 2.00 am. Accommodation was arranged for all in Kisan Bhavan. After lunch, the group proceeded to visit Medicinal Botany unit. Everyone got an opportunity to see a well maintained and vast medicinal garden having many rare and useful medicinal plants. From there, the group proceeded towards spice garden. Different spice plants like clove, cardamom, cinnamon, Nutmeg, all spice and other plants like coffee, tea, cocoa, arecanut, varieties of banana etc. were seen. After that the group had a visit to rubber plantation, where the various steps involved in rubber tapping, rubber sheet making etc. were explained.

On the second day the group were visited to velas turtle. Velas Beach is famous in Maharashtra for Turtle Festival. This festival is arranged by forest department, village panchayat and Kasav Mitramandal. It's an amazing effort to conserve Olive Ridley turtles and traveller's get to see the first journey of tiny turtles hatching and making their way to the sea. After that the group started their return journey. The group returned back to Rajgurunagar by 5.00 am on 14th March 2025. The trip proved to be fruitful for our students.
