A Snake Awareness programme organized by Department of Zoology, Hutatma Rajguru Mahavidyalaya, Rajgurunagar to Tribal Community of Kondhaval, Bhimashankar on 30th September 2022 on the occasion of "Wildlife week 2022". A total of 13 students, 04 faculty and one non-teaching staff participated in the awareness programme. Snake-bites are well-known medical emergencies in many parts of the world, especially in rural areas. Agricultural workers and children are the most affected. It results in the death or chronic disability of many active younger people, especially those involved in farming and plantation work. The incidence of snake-bite mortality is particularly high in Tribal area.

We have successfully organized "Snake Bite Awareness Program" on 30th September 2022 in a community of Kondhval, Bhimashankar to minimize the snake bite rate and make people aware about snake bite management. The program was done for community people who are unknown about its preventive measures. This program aimed to provide sufficient practical information to know about snake bite management.

Prof. Birhade D.N., Prof. Dr. Theurkar S.V. and Prof. Naikare S.S. have performed various activities during the entire event like how can snake-bites be avoided and identified. We have also described about the venomous Snakes of India, their classification and ideas to identify venomous and non-venomous snakes. The people were curious to learn.

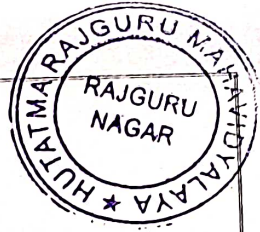

The program was believed to have acted as a strong tool for gaining knowledge to the community people about snake bite. From this program, people are known about identification of snakes, signs and symptoms of snake bite and its management and first aid etc. People have known that snakes are important for this ecosystem and people are more empowered about conservation than before.

We are thankful to our K.T.S.P Mandal's Chairmen honorable Adv. Devendraji Butte Patil, Vice Chairmen honorable Shri. Nanasahab Takalkar, Secretary honorable Shri. Haribhausheth Sandbhor, and all members and honorable Principal of Hutatma Rajguru Mahavidyalaya, Rajgurunagar Dr.S. S. Pingale to allowed academic visit. We are special thankful to Sarpanch, Gramapanchayat members and villagers to give valuable time and support us.
