5	Duration of the programme	One Day
6	Expense	1000/-
7	Source of Financial Assistance	Self
8	Name of resource person	-
9	Name of coordinator	Prof. D. N. Birkhade
10	Number of participants	13 Students + 02 staff
11	Copy of the programme	-
12	Curricular/Co-Curricular/Extra-Curricular	Academic & Extra- Curricular
13	Activity belongs to Which Criteria of NAAC	IIIrd

A study tour was organized for S.Y.B.Sc students on 10th February 2024 by the Department of Zoology, Hutatma Rajguru Mahavidyalaya, Rajgurunagar. A total of 13 students, 02 faculty in the field visit. As part of the syllabus of Savitribai Phule Pune University, the study tour was organized and through this, the students were exposed to rich birds diversity. The field visit was planned for one day under the head Department of Zoology, Prof. D. N. Birkhade and Prof. P.P. Shindekar.

The journey started from Hutatma Rajguru Mahavidyalaya, Rajgurunagar to Bhigwan bird sanctuary reached around 7.00am. An avian biodiversity study was done by the students there Photographs of interesting birds were taken. Students had a refreshing time enjoying the dam area.

Bhigwan is famous for bird watching, especially flamingos and wildlife photography. It is also known as mini Bharatpur. The Ujani Dam is constructed on the Bhima River. The water of the dam has created a shallow wetland and hosts many birds, which serves as an important hotspot for amateur and avid birders.

It is also famous for its fishes and the authentic Maharashtrian 'Machhi Thali'. This visit was organized with the objective that, the students will be able to identify the local and migratory birds and understand the role of sanctuary as an ecosystem and its significance in conservation of biodiversity. Mr. Umesh Sanjay Salle (Guide) an expert of bird identification guided and told the students morphological keys to identify a variety of local and migratory birds. This visit increased the scientific temper of students towards bird watching.

The visit later continued to, Bhuleshwar temple which was the final destination. After enjoying the nature and natural resources everyone had lunch together.

After an successful field visit all of us returned at Mahavidyalaya Campus and then dispersed. The tour gave a good exposure to biodiversity for everyone and was a good study experience.

We are thankful to our K.T.S.P Mandal's honorable Principal of Hutatma Rajguru Mahavidyalaya, Rajgurunagar Dr.S. S. Pingale to allowed academic visit.

Prof. D. N. Birhade
