Report on Debate Competition

The Department of English organized a Debate Competition on 8th August 2025 in the department. The objective of the event was to develop students' communication skills, promote critical thinking and provide a platform for expressing ideas on current issues. The topic for the debate was "Social Media: Advantages and Disadvantages." It was selected to encourage students to analyze the growing influence of social media in today's world. Students from FYBA, SYBA and TYBA actively participated in the competition. A total of 37 students actively participated in the competition. The participants confidently presented their views, discussing both the benefits and drawbacks of social media. They highlighted advantages such as easy communication, access to information and educational opportunities. At the same time, they also pointed out disadvantages like the spread of misinformation, privacy issues and the negative impact on personal interactions and mental well-being. The debate was conducted in an organized manner, allowing each participant to share their opinions clearly. The event helped students improve their public speaking skills, build confidence and understand different perspectives on the topic. Dr. S. S. Mande coordinated the event and guided the participants throughout the program. The event concluded with a vote of thanks delivered by Dr.V.B.Kathe. The Debate Competition was informative and engaging. It contributed to the intellectual and personal development of the students and encouraged active participation in academic activities
