Essay Writing Competition

The Department of English organized an Essay Writing Competition on 11 September 2026 at 11:00 a.m. in the English Department. The main aim of the competition was to encourage students to express their ideas, imagination, and creativity through writing.

Dr. V. Y. Raskar, Head of the Department, introduced the event and highlighted the importance of essay writing in developing students' thinking and writing skills. Students were given the following topics to choose from:

1. Artificial Intelligence and the Future of Human Creativity
2. Social Media: Connecting People or Creating Loneliness?
3. The Changing Face of English Literature in the Digital Age

The topics were carefully selected to reflect important issues in the present world. They encouraged students to think about the role of Artificial Intelligence in human creativity, the positive and negative effects of social media on relationships, and the changes taking place in English literature due to digital technology. Students were free to choose any one topic according to their interests and understanding. A total of 24 students participated in the competition with great interest and enthusiasm. They expressed their views and ideas on the selected topics. Prof. V. B. Kathe coordinated the event successfully. Dr. S. S. Mande proposed the vote of thanks and expressed gratitude to everyone who contributed to the successful organization of the competition. The event was successful and provided students with an opportunity to improve their writing skills and share their thoughts on contemporary issues. The competition created a positive learning environment and encouraged students to think critically about modern social, technological, and literary issues. It also helped them develop their language skills, confidence, and ability to present their thoughts in a clear and organized manner.
