Story Writing Competition Activity

The Department of English, Hutatma Rajguru Mahavidyalaya, organized a Story Writing Competition on 29th September 2026 at 11:30 a.m. The main purpose of the activity was to encourage students to develop their creative writing skills and express their ideas through storytelling. A total of 16 students participated in the competition and showed interest in the activity. The participants were given the freedom to write stories on topics of their own choice. This allowed them to select themes according to their interests and imagination. Some students wrote simple stories for children, while others chose stories based on kings and queens. Several participants selected animal stories, presenting familiar characters and situations through their own ideas. The competition provided students with an opportunity to express their thoughts independently and present them in a structured manner. Through this activity, they were encouraged to develop their vocabulary, sentence formation, and ability to organize ideas. The variety of stories written by the students reflected their individual interests and creative approaches to writing. Dr. V.Y. Raskar, Head of the Department of English, coordinated the event and encouraged students to participate actively. Prof. V. B. Kathe guided the students and supported the smooth conduct of the competition. Their guidance helped create a positive learning environment in which students could explore their writing abilities and gain confidence in expressing themselves. Prof. K. B. Kalekar proposed the vote of thanks and expressed gratitude to the faculty members and students for their cooperation and participation. The competition concluded successfully and provided students with a valuable opportunity to demonstrate their creativity.
