Department of English**

Future Plans of the English Department for 2020-2021

- 1) Organizing seminars and conferences focusing on contemporary issues within the discipline.
- 2) Increasing research publications for both faculty and students.
- 3) Enhancing the frequency of academic excursions for departmental students.
- 4) Initiating the implementation of E-learning methodologies to enhance pedagogical approaches.
- 5) Introducing smart classrooms equipped with modern teaching technologies to facilitate interactive learning.
- 6) Facilitating the transition of faculty research into published books to contribute to scholarly discourse.
- 7) Pursuing applications for minor and major research projects to advance knowledge within the field.
- 8) Establishing mentorship programs for undergraduate and postgraduate students.
- 9) Integrating interdisciplinary approaches into the curriculum to provide holistic learning experiences and encourage critical thinking.
- 10) Organizing departmental activities aimed at promoting a deeper understanding and appreciation of English literature and language.
