Department of English**

Future plans of the English department for 2021-2022

- 1) Organizing seminars/conferences on contemporary issues within the department.
- 2) Increasing research publication among both faculty and students.
- 3) Enhancing academic visits for department members.
- 4) Initiating the E-learning delivery process.
- 5) Implementing smart classrooms equipped with modern teaching tools.
- 6) Applying for minor/major research projects.
- 7) Facilitating the conversion of faculty research into published books.
- 8) Focusing more on activities aimed at improving students' listening, speaking, reading, and writing (LSRW) skills.
- 9) Promoting student participation in literary competitions and conferences.
- 10) Organizing language enhancement programs for students to improve their proficiency.
