8.	Faculty involved	Prof. P. D. Kad
9.	Activity belongs to NAAC criteria	Criteria 2

Report

The Department of Botany at Hutatma Rajguru Mahavidyalaya was privileged to host a distinguished guest, Dr. Vinayak Lokhande, for a captivating lecture on "Career Opportunities in Botany." Dr. Lokhande, a renowned expert in the field, shared valuable insights into the diverse career paths available to students pursuing a degree in botany. He stressed the importance of understanding the vast array of career possibilities that arise from a background in botany. The speaker discussed the significance of academic research in botany, shedding light on opportunities within universities and research institutions. He highlighted ongoing research projects and encouraged students to consider pursuing advanced degrees for a career in academia. The lecture also touched upon the numerous opportunities available in governmental and non-governmental organizations working in areas such as environmental policy, agriculture, forestry, and conservation. Dr. Lokhande provided insights into the challenges and rewards of working in these sectors. Throughout the lecture, Dr. Lokhande emphasized the importance of networking and skill development. He encouraged students to engage in internships, workshops, and conferences to enhance their practical knowledge and build connections within the professional community.

The lecture concluded with an engaging question and answer session, allowing students to seek clarification on specific career paths, educational requirements, and industry trends.
