REPORT

A Guest Lecture on “**How to Develop Soft Skills**” was duly conducted on 07/11/22 at 10:45 am at Hutatma Rajguru Mahavidyalaya for **TYBCOM students**.

The event was organised by Dr. G. M. Dhumal (H.O.D), followed by insights given by Prin. Dr. S. S. Pingale and vote of thanks given by Prof. R. N. Katore.

Mrs. Jyoti Waghchaure, (Magic Bus India Foundation) was the key speaker of the awareness programme organised. She focused on the need to create a general cognizance among the students as to how one can develop soft skills from a young age. Soft skills are abilities and attributes that make a person effective in working with others. They often feel intangible and subjective. Soft skills aren't always taught directly in the classroom, but they can be learned and improved upon over time. They may be better identified as transferable professional skills because they are needed in every industry at every level.

Mr. Bhushan Kudale highlighted that there has been a misconception that the only thing required to work in the Social Sector is the will to make a difference. While passion is definitely important, people also require the right kind of knowledge, expertise, tools, and skills in order to work effectively in the Development Leadership and Management space. While the hard skills that one needs may vary from role to role, it is essential for everyone in the space to have the requisite soft skills.

A total of 93 students attended the lecture and actively asked questions. Under the guidance of Dr. S. S. Pingale (Prin.) & Prof. G. M. Dhumal (H.O.D), Prof. R. N. Katore, Prof. K. M. Surve, and other Professors of the Commerce Department were present during the guest lecture too.
