VISIT TO EXHIBITION AT KVK, NARAYANGAON

REPORT

Sr. No	Item	Particulars
1	Date	10/01/2025
2	Name of Event	Study Tour
3	Venue	KVK, Narayangaon
5	Duration of the programme	One day
6	Number of participants	18 students + 2 Teaching staff
7	Activity belongs to which Criteria of NAAC	Criteria-2

The department of Botany conducted one day visit to Krishi Vigyan Kendra, Narayangaon on Friday, 10th January 2025 for the students of F.Y.B.Sc & T.Y.B.Sc. class. Two teaching faculty, Dr. Sangeetha J.S. & Prof. P. D. Kad and 18 students participated in the visit. The exhibition was divided into various sections like Poshan Udyan, Terrace Gardening, Millets Udyan, Vegetable gardening, Ornamental gardening, Mushroom Cultivation, Aquaculture, Fertilizer and Water management, Poultry etc. Volunteers in the different stalls explained their projects in detail and the students got deep knowledge about the effective methods in agriculture. The group got exposed to the efficient methods of cultivation of various varieties of Cucumbers, Grapes, Tomatoes, Sweet potatoes, Amaranths, Maize, Millets, Gourds, Onions, Garlics, Brinjals, Bananas, Chrysanthemums, Marigold, Sunflowers and also exotic varieties like Zucchini, Red cabbage, Broccoli etc. Students got invaluable information on advanced techniques used in agriculture like use of drone to automate fertilizer application, pesticide spraying and field tracking. Several types of irrigation systems also were displayed which ensured better irrigation. Different types of agricultural equipments and tools were exhibited there and the volunteers explained their working and uses. The group also visited the fields where application of various fertilizers were demonstrated. Students and the teachers cleared their doubts with the volunteers. Stalls of floriculture, tissue cultured plants, biofertilizers and nano-fertilizers, bio-pesticides, agricultural products etc. were also there. Both the students and teachers got a good exposure to the modern and efficient techniques involved in the field of agriculture.
