The Department of Zoology, Hutatma Rajguru Mahavidyalaya, organized an educational visit to **Nidan Pathology Lab on 3rd October 2026** for the students of **S. Y. B. Sc. Major Zoology**, as a part of the academic curriculum prescribed by **Savitribai Phule Pune University (SPPU)**. A total of **10 students** participated in the visit under the guidance of **Prof. D. N. Birkhade and Prof. D. R. Borkhade**. The main objective of the visit was to provide students with practical exposure to the functioning of a pathology laboratory and to help them understand the practical applications of concepts included in their Zoology syllabus.

During the visit, the students were introduced to the working and various activities carried out at Nidan Pathology Lab. The laboratory staff explained the procedures related to the **collection, handling, processing, and examination of biological samples**. Students observed various laboratory instruments and gained knowledge about their uses in pathological

investigations. They were also introduced to microscopic examination and other basic diagnostic procedures carried out in the laboratory. The importance of proper sample handling, laboratory hygiene, safety precautions, and accurate observation was explained to the students.

The visit provided the students with an opportunity to connect their theoretical knowledge with practical applications. Through direct observation and interaction with the laboratory staff, students developed a better understanding of laboratory procedures and the role of pathology investigations in disease diagnosis. The accompanying faculty members, **Prof. D. N. Birhade and Prof. D. R. Borhade**, guided the students throughout the visit and explained the relevance of the laboratory activities to the SPPU syllabus.

The educational visit to Nidan Pathology Lab was informative, interactive, and beneficial for all the participating students. It helped the students enhance their practical knowledge, understand laboratory techniques, and appreciate the importance of pathology in biological and health-related studies. The visit was successfully completed with the active participation of all **10 S. Y. B. Sc. Major Zoology students** and the guidance of the faculty members. The Department of Zoology expresses its sincere gratitude to the staff of **Nidan Pathology Lab** for their valuable guidance and cooperation in making the educational visit a meaningful and enriching academic experience.

Subject: Request to permission for visit to Pathology lab & Blood Bank ...

Respected Sir,

As per above mentioned subject, we are going to organize visit to Pathology lab & Blood Bank on 3rd October, 2026. As per the syllabus of Savitribai Phule Pune University, this study visit compulsory to S. Y. B. Sc Zoology Major students. Because of this visit Students will know the various laboratory techniques and practical knowledge about blood bank setup. This visit should be Informative and useful to students.

So please accept our request and give permission to organize this visit.

Thanking You.

Yours Faithfully,

Prof. D. N. Birhade

Subject: - Request to visit the Nidan Pathology Lab.....

Respected Sir,

We kindly request your permission to arrange an educational visit to Nidan Pathology Lab on behalf of the Department of Zoology, for our Second-Year B.Sc. students (Zoology), studying under the Savitribai Phule Pune University.

As per the academic guidelines, a pathology lab visit forms an integral part of the curriculum. We propose to conduct this visit on 3rd October 2026, under the supervision of our teaching faculty.

We believe that the visit will help students to observe and understand real-time pathological processes and enhance their practical knowledge and interest in the field.

We request you to kindly grant us permission and extend your cooperation in this academic activity.

Thanking you.
