REPORT ON VISIT TO OLD-AGE HOME

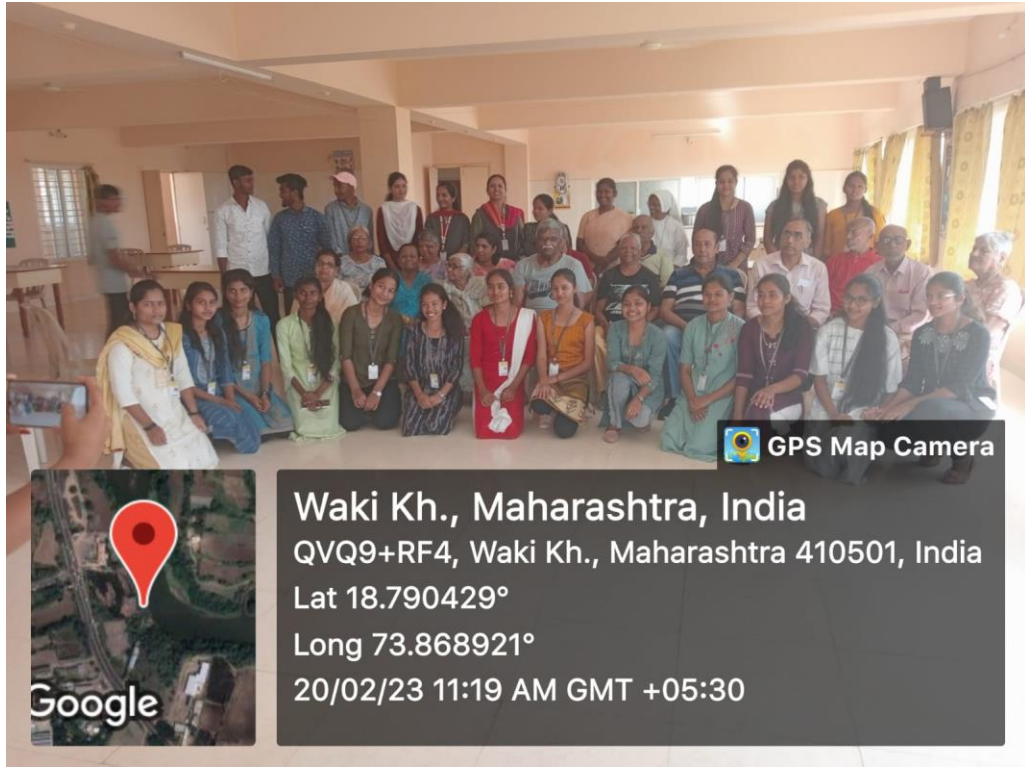

Sr. No	Item	Particulars
1	Date	20 th February, 2023
2	Name of Event	Old Age Home Visit
3	Venue	Dulcine Pius Memorial Home for the Aged, Waki, Chakan
5	Duration of the programme	One day
6	Number of participants	22 students + 4 teachers
7	Activity belongs to which Criteria of NAAC	Criteria - III

As part of Social responsibility activity, Department of Botany organized a visit to an Old age home. The visit was aimed to sensitize students about needs of senior citizens in the society who are living away from their near and dear ones. The students of F.Y.B.Sc. and T.Y.B.Sc. of Department of Botany participated in this visit. The visit was planned and executed by the teaching staff consisting of Dr. K.M. Nitnaware (Head of the Department), Dr. Sangeetha J.S., Prof.P.D. Kad and Prof. R.V. Mechkar.

The group of staff and students reached the old age home by 10.00 am. The administrators and care takers explained us about the history of the institute. A total of 18 inmates were there and they had an interaction session with the staff and students. During the time spent, many of them talked their hearts out with the students and the Faculty. The students distributed greeting cards with positive messages to each of them and later carried out a fun session where they were made to play games like 'Passing the Parcel', 'Bucket Ball' and also activities like Singing songs and Dancing. The students later entertained them with dance, songs and poem. Everyone had a great time sharing jokes, enacting scenes from feature films etc. The students served them fruits and other eatables which they had brought. The main motive of the visit was to meet the senior citizens, bring smiles on their faces and create some moments of togetherness so that they don't feel they are alone in this world. After spending a few hours with them, the group returned back to college with a commitment to do something for them in future.

Old age peoples played a fun game passing a pillow arranged by college students.

Group photo taken with all old age peoples.
