National Educational Policy (NEP): Union cabinet paved the way for transformative reform in school and higher education system by launching the New National Education Policy (NEP) on 29th July 2020. They also renamed MHRD as Ministry of Education. After the old national education policy which was launched way back in 1986, this is the first education policy of 21st century that has replaced 34 years old education policy. The new NEP is based on four pillars which are Access, Equity, Quality, and Accountability.

The new NEP based one important pillar such as Access and equity, the T.Y.B.A students visit to our Department of Zoology on 20th October 2022 on the topic of "What is Zoology? and their scope in Society". Prof. D.N. Birkhade gave valuable objectives and outcomes of Zoology to the B.A students. This interaction involves in new education policy for student growth and future opportunities.

Open to All New Education Policy is important to not only students but also all the streams. The 14 Students of T.Y.B.A interact with Prof. D. N. Birkhade and Prof. Dr. Theurkar S.V. in collaboration with Prof. Dr. Sonawane K.B.

Also, School students of Z.P.P. School Kivale visited on 27th August 2022 to our Department of Zoology curious to know about specimens, organisms, skeletons, models and too more about Zoology. Prof D. N. Birhade said, "Education is not the learning of facts, but the training of the mind to think". They were too much happy to see the models and preserve specimens of animals. The school students were too much hungry to know about the Zoology. They feel satisfied to take information and knowledge.

We are thankful to our K.T.S.P Mandal's Chairmen honorable Adv. Devendraji Butte Patil, Vice Chairmen honorable Shri. Nanasaheb Takalkar, Secretary honorable Shri. Haribhausheth Sandbhor, K.T.S.P's members and honorable Principal of Hutatma Rajguru Mahavidyalaya, Rajgurunagar Dr. S. S. Pingale to given chance for opportunity to present our research works.
