Report on Poster Presentation Competition

Date: 03/08/2026

Venue: Physical Chemistry laboratory, Department of Chemistry

Time: 10.00 a.m.

Organized by: Department of Chemistry

Participants: Undergraduate and Postgraduate Chemistry Students

1. Introduction

On the occasion of 166th birth anniversary of Acharya Prafulla Chandra Ray, the father of Chemistry celebrated as National Chemistry Day, the Department of Chemistry organized a **Poster Presentation Competition** on 03/08/2025 at 10.00 a.m to encourage research-oriented learning and foster scientific communication skills among students. The event was designed to provide a platform for budding chemists to showcase their knowledge, creativity, and research aptitude on various topics in chemistry. The event was organised by head of the department Dr. P.S. Kulkarni sir.

2. Objectives

The main objectives of the competition were:

- To promote critical thinking and scientific inquiry among students.
- To enhance presentation and communication skills.
- To encourage teamwork and collaboration.

3. Themes and Topics

Participants were invited to present posters on various contemporary and fundamental topics in chemistry, including but not limited to:

- Green Chemistry
- Environmental Chemistry
- Medicinal Chemistry
- Polymer Chemistry
- Recent Advances in Organic and Inorganic Chemistry

4. Participation

- A total of **38** teams participated in the event, comprising students from **B.Sc., M.Sc.** programs. Each team consisted of **1or 2 students** who collaboratively designed and presented their posters.

5. Judges and Evaluation Criteria

- The posters were evaluated by a panel of esteemed faculty members from the Department of Chemistry and invited external experts prof. Rupali Wayal and Dr. Kirti Nitware. Evaluation was based on the following criteria:
- **Scientific Content and Accuracy**
- **Originality and Innovation**
- **Design and Visual Appeal of Poster**
- **Presentation and Communication Skills**

6. Highlights of the Event

- The competition was inaugurated by **Principal Dr. Shirish Pingale Sir** who guide the participants and highlighted the importance of research in chemical sciences.
- Each team was given **10 minutes** to present their poster, followed by a **5-minute** Q & A session with the judges.
- Posters displayed a creativity, scientific rigor, and relevance to current challenges in chemistry.

7. Winners

After a thorough evaluation, the following teams were declared winners:

- **First Prize:** Akshay Rathod
- **Second Prize:** Suhani Bhosale
- Winners were awarded certificates, pen and periodic table, while all participants received participation certificates as a token of appreciation.

8. Feedback and Conclusion

The event was highly appreciated by both participants and faculty. It served as a motivational and enriching experience for students, promoting academic curiosity and scientific dialogue.

The Department of Chemistry looks forward to organizing more such academic and co-curricular events in the future to nurture the research culture and holistic development of students.
