Report on Direct Interaction with School Students through a Visit to the Zoology Laboratory

Sr. No	Item	Particulars
1	Date	8 th August 2026
2	Name of Event	School-College Interaction Programme: Educational Visit to the Zoology Laboratory
3	Venue	Department of Zoology
4	Time	3.00 pm to 4.00 pm
5	Duration of the programme	One day
6	Number of participants	students & 04 staff
7	Activity belongs to which Criteria of NAAC	Criteria 3

The Department of Zoology at Hutatma Rajguru Mahavidyalaya, Rajgurunagar, organized an educational visit and interactive session for the students of Shri Shingeshwar Vidyalaya, Kude Budruk, on 8th August 2026. The students visited the Zoology Laboratory along with their teachers to gain practical knowledge and learn about the subject through direct observation and interaction.

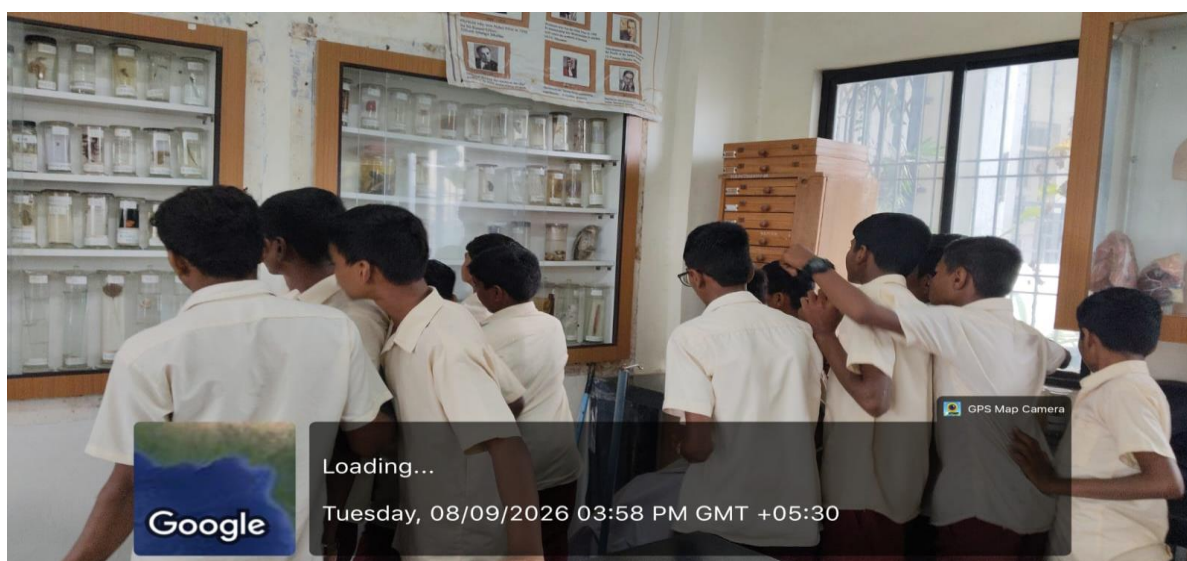

The activity was conducted under the guidance of Dr. S. S. Pingale. The Head of the Department of Zoology, Prof. D. N. Birhade, along with Prof. P. P. Shindekar and Prof. D. R. Borhade, guided the students during the visit. The faculty members explained various zoological specimens, laboratory instruments, charts, models, and their significance in the study of animal biology. They also interacted directly with the students, answered their

questions and provided information about the scope of Zoology and opportunities for higher education in life sciences.

The students actively participated in the interactive session and showed interest in observing the laboratory materials and understanding their scientific importance. The activity helped promote scientific curiosity, strengthen communication between school students and college faculty, and create awareness about higher education opportunities in Zoology and allied biological sciences. The visit was informative and beneficial for the students.

The visit enhanced students' scientific awareness, practical understanding, and interest in Zoology through direct dialogue and laboratory observation.
