As part of science day celebration, two students from S.Y. B.Sc. Ms. Priya Wadekar and Mr. Sumedh Ingole participated in the Science Day Exhibition organized by TIFR at GMRT, Khodad on 28th & 29th February, 2024. Ms. Priya Wadekar presented project on topic Handmade paper from underutilized source and Mr. Sumedh Ingole presented project on GS peat an alternative source of cocopeat. Staff of the Department Dr. K. M. Nitnaware & Prof. P. D. Kad visited GMRT Khodad to see the various projects. Alumni of our college Mr. Shubham Bagate also joined us. Students from various disciplines came there and presented poster on various topics. Many interesting projects were present like different types of stones, various types of fossils forms, biodegradable pen from paper, etc. Some fun games were also arranged for school kids. We also saw black point present on sun through telescope. Overall, the tour provided valuable insights and fostered a sense of appreciation for science and its applications.
