2	Name of Event	Educational Tour
3	Venue	Directorate of Onion and Garlic Research Center, Rajgurunagar
4	Time	At 11.00 am to 2.00 p.m.
5	Duration of the programme	One day
6	Number of participants	25 Students+3 Teachers
7	Activity belongs to which Criteria of NAAC	1

The Department of Botany organized a one-day study tour for the students of S.Y.B.Sc to the Directorate of Onion and Garlic Research Center, Rajgurunagar. The purpose of the visit was to provide students with practical exposure to plant tissue culture techniques as part of the syllabus of Savitribai Phule Pune University. A total of 25 students along with teaching staff, Prof. Dr. K.M.Nitnaware, and Prof. P.D.Kad participated in the tour. The students were guided to the plant tissue culture lab by Mr. Dhananjay Shirsat, who provided detailed information about plant tissue culture techniques. Mr. Shirsat demonstrated the various procedures involved in tissue culture and emphasized the precautions required in the culture room. Subsequently, students were taken to the fields of the institute where they were educated about soil types, climatic conditions, irrigation methods, fertigation, crop management practices, and harvesting techniques. Various facilities for storing harvested crops were also showcased. The visit concluded with a vote of thanks by Dr. K.M. Nitnaware on behalf of HRM and the Department of Botany. Overall, the tour provided valuable exposure to students and staff, allowing them to gain practical insights into plant tissue culture techniques and agricultural practices. This visit undoubtedly enriched the understanding of students and reinforced theoretical knowledge with practical application, aligning with the academic objectives of the syllabus.
