DEPARTMENT OF BOTANY,
REPORT ON VISIT TO EXHIBITION AT KVK, NARAYANGAON
2023-24
REPORT

| Sr. No | Item | Particulars |
|--------|--|--------------------------------|
| 1 | Date | 09/02/2024 |
| 2 | Name of Event | Study Tour |
| 3 | Venue | KVK, Narayangaon |
| 5 | Duration of the programme | One day |
| 6 | Number of participants | 32 students + 2 Teaching staff |
| 7 | Activity belongs to which Criteria of NAAC | Criteria-2 |

The Department of Botany conducted a one-day visit to Krishi Vigyan Kendra, Narayangaon, on February 9, 2024, for the students of F.Y.B.Sc & T.Y.B.Sc. Two teaching faculty members, Dr. K. M. Nitaware & Prof. P. D. Kad, and 32 students participated in the visit. The exhibition was divided into various sections such as Poshan Udyan, Millets Mahotsav, Mushroom Racks, Vertical Garden, Terrace Garden, and Waste Water Management. Different types of agricultural equipment and tools were exhibited, and the volunteers explained their workings and uses. We also visited fields where various fertilizers were applied to plants, and students and teachers cleared their doubts with the experts. Stalls featuring floriculture, tissue-cultured plants, biofertilizers, nano-fertilizers, bio-pesticides, agricultural products, etc., were also present. Students were informed about new techniques like the use of drones to automate fertilizer application, pesticide spraying, and field tracking. The students gained information about several new methods of pest eradication. Various types of irrigation systems were also displayed, ensuring better irrigation without significant water loss. The exhibition was found to be truly useful for everyone, as the students were exposed to newer techniques involved in the field of agriculture.

Group Photo near pesticides stall.
