Report on Participation in Science Exhibition

A.Y. 2025-26

Sr. No	Item	Particulars
1	Date	3 January 2026
2	Name of Event	Participation in Science Exhibition
3	Venue	Department of Botany, HRM
4	Time	10.30 to 1.00 pm
5	Duration of the programme	One day
6	Number of participants	25 students
7	Activity belongs to which Criteria of NAAC	Criteria 3

Report

A Science Exhibition was successfully organized on 3 January 2026 in memory of Late Sahebraoji Butte Patil, with the aim of fostering scientific temper, creativity, and interdisciplinary learning among students. The exhibition was organized by the Senior Science Faculty and witnessed enthusiastic participation from students and staff.

The exhibition was conducted under the chairmanship of Dr. P. S. Kulkarni, Chairman of the Exhibition Committee. The organizing committee members included Prof. R. M. Wayal, Dr. K. M. Nitaware, and Prof. N. D. Dongare, whose collective efforts ensured the smooth planning and execution of the event.

The exhibition was inaugurated in the presence of the Chief Guest, Hon. Rajmalatai Butte Patil, whose presence added dignity and inspiration to the programme. The event was conducted with the encouragement and support of the Principal, Dr. Shirish Pingale, who motivated students to explore science beyond textbooks and apply concepts creatively.

A total of **25 students from Botany Department** (F.Y.B.Sc and S.Y.B.Sc) were participated and presented **10 projects**. The projects reflected innovative ideas, scientific thinking, and practical applications of fundamental concepts. Students demonstrated models, charts, experiments, and working prototypes on different topics.

The evaluation of the projects was carried out by Prof. P. D. Kad and Prof. D. R. Borhade. The evaluation was based on originality, scientific accuracy, clarity of explanation, working efficiency, and presentation skills. Judges interacted with students, asked questions, and provided constructive feedback to enhance their understanding and confidence. **Mr. Ram Chavan** F.Y.B.Sc student ranked **2nd prize for the project entitled "Herbal Chocolate from Arjuna bark"**.

The exhibition was also visited by the Vice Principal of the Junior College, Prof. V. B. Daundkar, along with Prof. Funde, faculty members, and students. Visitors appreciated the efforts of participants and encouraged them to pursue scientific research and innovation.

Overall, the Science Exhibition proved to be a successful academic activity that promoted interdisciplinary learning, teamwork, and scientific curiosity. It provided students with an excellent platform to showcase their talents, improve communication skills, and develop a research-oriented approach. The exhibition served as a fitting tribute to Late Sahebraoji Butte Patil and fulfilled its objective of strengthening science education through experiential learning.
