Report Marathon competition 2021-22

Under the Government of India's Fit India Campaign, an online marathon competition was organized in the college on the occasion of National Sports Day between 27th August to 1st Sept 2021. The Sports Tracker Running Cycling app was used in this intercollegiate online marathon competition.

For a healthy life everyone needs to give importance to exercise in their daily life and play a game that can be practiced every day as a supplement.

A distance of marathon for college students was 3 km. About 32 students participated in it. Students have to cross the distance of 3 km using Sports Tracker Running Cycling app. Screenshots, links and photos of the app were required in Google Forms.

A video of the first, second and third ranked players covering a distance of 3 km was requested. The first, second and third numbers were drawn on that basis.

In the boys group - Suraj Ghogre, Mahadev Shingate, Riyaj Inamdar and in the girls group - Vaishnavi Javalkar, Jyoti Bhagat, Aishwarya Khaldakar got first, second and third place. The winning contestants were honored with mementos and certificates. All participating students were also given an online certificate of marathon competition.

The competition was organized by Prof. Pratima Lonari, Director, Physical Education.

Report on Web Development Workshop

A One day workshop on 'Web Development' has been conducted on 7 January 2022 at department of Computer Science of Hutatma Rajguru Mahavidyalaya, Rajgurunagar. This workshop has been conducted under ICT cell for S.Y.B.Sc (Computer Science), T.Y.B.Sc (Computer Science). This workshop has been coordinated by Prof.A.P.Kulkarni.

The session was conducted by Prof. P. P.Virkar and Prof. D.O.Ghanwat. In this workshop students acknowledged a complete knowledge of Web App Development. Web App Development refers to the means by which computers communicate with each other using markup languages and multimedia packages. It gives us a way to interact with hosted information, like websites. Web technology involves the use of hypertext markup language (HTML) and REST, SQL, PHP and many more. Total 30 students were participated in this workshop.

In this workshop the students were introduced to topics HTML5, REST, JAVASCRIPT.
