Report

National Service Scheme (NSS) unit of Hutatma Rajguru Mahavidyalaya in association with Minda Corporation, organized a Primary First Aid Camp (First Safety) at the college premises. The camp aimed to provide guidance on primary first aid to the NSS volunteers. The trainers from Minda Corporation, Mr. Nilesh Paval, Mr. Manoj Bhagat, and Dr. Pramod Vishwakarma, provided guidance and conducted practical demonstrations for the students during the camp. They covered topics such as immediate response to physical emergencies like sudden heart attacks, dog bites, snake bites, controlling nosebleeds, stopping bleeding after an injury, and other common injuries.

The trainers emphasized the importance of receiving primary first aid immediately after an accident or while waiting for transportation to a rural clinic or any other healthcare facility. By providing timely first aid, the distress faced by patients can be minimized, and they can be kept safe and protected. All participants were encouraged to utilize the knowledge gained during the camp.

Dr. Shirish Pingale, the Principal of the college, graced the camp as the Chief Guest. The camp was efficiently coordinated and proposed by Dr. Ganesh Dhumal, and opening remarks were delivered by Prof. Jayashree Gogavale. Dr. Prabhakar Jagtap, Dr. Kirti Nitaware, and Prof. Kavita Valunj were also present during the camp.

We extend our gratitude to all the participants and trainers for their efforts in making this camp a success. The practical training and theoretical knowledge acquired during this camp will prove valuable in emergency situations. We urge all students to apply and share this knowledge with others for the betterment of society.
