## HUTATMA RAJGURU MAHAVIDYALAYA, RAJGURUNAGAR

### Green Club Biodiversity Counting

In Hutatma Rajguru Mahavidyalaya, Green Club was established in the academic year 2023-24. Many activities were organized by Green Club in this academic year. Among them, the species and number of trees in the college premises were counted.

100 students of the college have participated in the Green Club. Out of these students 25 students participated in tree counting. The trees of the college premises as well as the college grounds, the road in front of the college were measured, classified its types. How many trees of which species? This is listed. Dr. Green Club coordinator for this work. Guided by DM Markad.
