HUTATATMA RAJGURU MAHAVIDYALAYA, RAJGURUNAGAR

Staff Academy Report 2023 – 24

In Staff academy of Hutatma Rajguru Mahavidyalaya, Lecture organized on 07/10/2023. Head of History Department in the college Prof. K. J. Landepatil's lecture was organized.

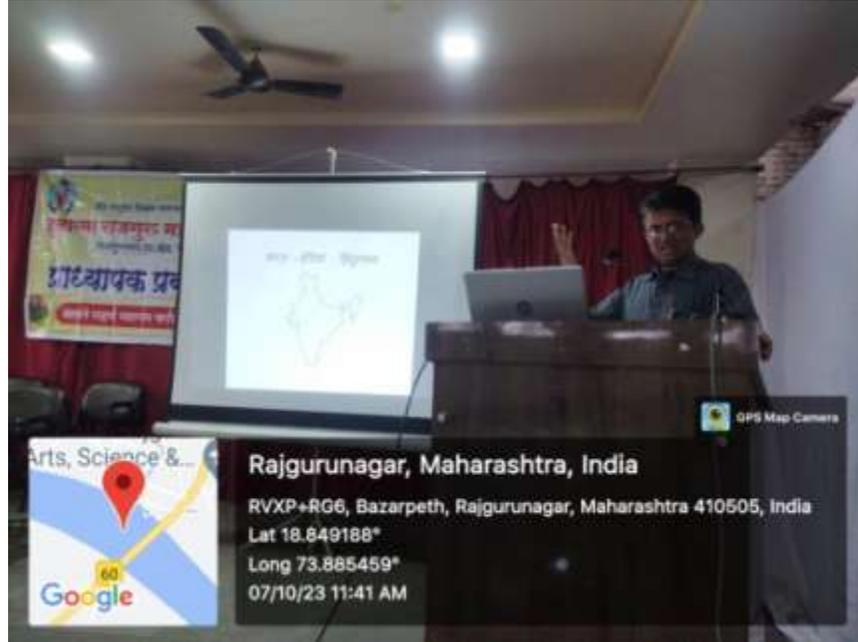

In Staff Academy, Prof. Kishor Landepatil analyzed the history of the name India. Ancient India was called by many names. Bharat had different names like Meluha, Jambuvdip, Aryavarta, India, Bharat, Bharatvarsh, Dakshinapatha. At present, the Constitution of India has given two names to India as India and Bharat. These two names are constitutional.

The name Meluha of India is found in inscriptions from the Babylonian civilization. It is the oldest name of India. After that the Greeks named India as India. It is found that the Aryas gave the name Aryavarta to North India. Emperor Ashoka referred to India as Jambuvdip in his inscriptions. There are three theories about the origin of the name Bharat. Bharat got its name from a tribe called Bharat. Apart from that, the name Bharata is also said to have been derived from the son of King Dushyanta. The third Bharat is Jadbharat. He was the son of Rishabhadev. Historians say that India got the name Bharat from that. In the Vishnu Purana, India is called Bharatvarsha. The southern part of India is also known as Dakshinapatha.

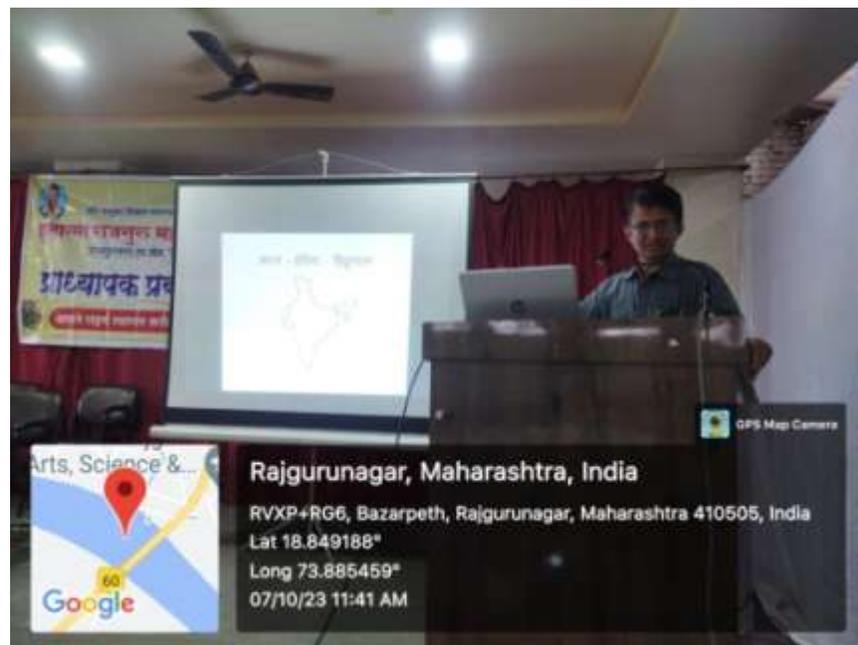

The name Hindustan was given to India by the Parsis. The word Hindu is derived from the word Sindhu. From that the word Hindustan has been formed. The Muslims made the name Hindustan more popular. Recently some people also call India Hindu Rashtra.

Dr.D. M. Markad did introduction of the programme. Principal Dr. Shirish Pingale, Vice President Dr. V.D. Kulkarni, Vice Principal Dr. Sanjay Shinde and college professors were present. Dr. Prabhakar Jagtap thanked the program.
