Staff Academy Report 2023 – 24

Various lectures are organized every year in Staff Academy of Hutatma Rajguru Mahavidyalaya. On 28/02/2024 Librarian Prof. A lecture by Poonam Tapkeer Madam was hosted.

In his lecture Prof. Tapkir Madam explained the importance of library. Libraries are the soul of colleges and educational institutions. A college is as prosperous as the library. There are about 65454 books in our library. Many of these books are Reference books. Our library has a separate hall Reference books, while there is a separate hall for text books.

Every student gets one book at a time from the college library. Also many reference books are available for professors. There are rare books in our library. It has many encyclopedias like Encyclopedia Britannica, Marathi Encyclopedia, Bharatiya Sanskruti Kosh, Philosophical Encyclopedia, Bhakti Kosh, etc. Apart from this, Ramayana, Mahabharata, Srimad Bhagavata are rare books.

In addition, Prof. Tapkir gave information about many such software related to library. Then the principal of the college Dr. Shirish Pingle expressed his opinion about the library. Dr. Ganesh Dhumal thanked for the program. Dr. DM Markad planned and executed the programme.
