Report on Aavishkar Competition (College Level)

The Hutatma Rajguru Mahavidyalaya organized an Avishkar competition on 13th September 2025. A total of 37 students from Science, Arts and Commerce faculty presented their projects. There are total 6 categories in Avishkar. The students participated from all six categories like Pure Science, Agriculture and animal husbandry, Engineering and Technology, Commerce management and Law and Humanities, languages and fine arts and Medicine and Pharmacy. The program began at 10:30 a.m.

The program was inaugurated at 10.30 am by the hands of Principal Dr. S.S. Pingale in the presence of, Dr. P. S. Kulkarni (IQAC coordinator, Head Department of Chemistry) Dr. V.Y. Raskar (Head, Department of English) and Dr. G. M. Dhumal (Head, Department of Commerce), Dr. K. B. Sonawane, Prof. D. N. Birkhade, Prof. P. D. Kad, Prof. D. R. Borhade. The welcome of all dignitaries and guests was done by offering flowers. After that, Principal Dr. Shirish Pingale addressed the gathering and highlighted the importance of research, innovation, and creativity in higher education.

A total of 19 projects were on display which included Face recognition attendance system, Tracking waste driving change, Climate Change and carbon footprint, Comparative Study, of Colocasia Varieties and Their Phytochemical analysis, Post harvest biofilm coating to increase shelf life of fruit, Formulation and evaluation of herbal chocolates from Arjuna bark etc.

The competition was evaluated by a panel of eminent judges: Dr. P. S. Kulkarni, Dr. V. Y. Raskar, Dr. G. M. Dhumal. A total of 19 projects were presented by students across different disciplines: Engineering and Technology – 4 projects, Agriculture and Animal Husbandry – 2 projects, Medicine and Pharmacy – 4 projects, Pure Science – 3 projects, Commerce, Management, and Law – 4 projects, Arts, Humanities, and Languages – 2 projects. The committee scrutinized each project on the basis of relevance, methodology, contribution, innovativeness, and outcome.

The event witnessed enthusiastic participation, with many students and staff members visiting the competition to view the projects and encourage the participants. The competition provided a valuable platform for students to showcase their innovative ideas and research work. It not only promoted creativity and scientific thinking but also motivated students to take part in further research activities. The event concluded successfully with positive feedback from the

judges, staff, and students. ARC Dr. K. M. Nitnaware conducted the program. Staff of Research committee members helped to organize this program.
