HUTATATMA RAJGURU MAHAVIDYALAYA, RAJGURUNAGAR

Staff Academy Report 2023 – 24

Many kinds of lectures are organized under Staff Academy of Hutatma Rajguru Mahavidyalaya. On 6/03/24 the head of English department in the college A lecture was organized of Dr. Vikas Raskar. Dr. Vikas Raskar delivered a lecture on Exploring the Afterlife.

In his lecture, Dr. Raskar reviewed the existence of the soul after death, its journey, the related philosophy in various scriptures. Many religions of the world believe in the existence of the soul. Many religions believe that the body and soul are separate.

The existence of the soul is considered in Hindu philosophy. Atman is immaterial. As long as the soul is in the body, the body is alive. When the soul departs, the body dies. According to Hindu philosophy, the soul is immortal. But he gets further momentum according to his karma. A virtuous soul goes to heaven; a sinful soul goes to hell. Some souls get salvation while some souls go to the birth of animal worlds. Some souls reincarnate into humans.

In Islam too, the soul is considered immortal. After the death of a Muslim man, he remains in the court of Allah for several days. When the Day of Resurrection comes, Allah will judge their sins. Allah takes them to Jannat or Jahannam according to their sins.

Even in Christianity, the soul is immortal. According to them the soul goes to the court of God after death. There it waits until the Day of Justice arrives. On the Day of Judgment, God sends them to heaven or hell according to their sins.

Dr. Shirish S. Pingale

Rajgurunagar, Tal. Khed, Dist. Pune.

In Buddhism there are no concepts of soul, soul, heaven, hell etc. There is still the idea of rebirth, but it is of a different kind. Jainism advocates the soul and reincarnation.

After reviewing the philosophy of death in various religions, Dr. Raskar made a scientific analysis of what death is.

Dr. Raskar's lecture Commented by Principal Dr. Shirish Pingale. Then there was a question and answer session. This program is planned by By Dr. D.M. Markad. Dr. GM Dhumal introduced the program while Dr. Prabhakar Jagtap proposed vote of thanks.
